

Restoration is Only through Jesus Christ

In our Spirit, our Position in Christ, the work is finished. It is complete. We are a new creation and the old has passed away with the coming of the new! Every blessing of restoration and conciliation, by and with God, has been provided for and to us. We are positioned in heavenly places with Christ Jesus (Ephesians 2:6).

In our Soul and Body, we find our Condition. We often find ourselves struggling with life. It is our responsibility to receive by faith our Position in Christ and then walk towards it and see it manifest in our Condition. There often is tension here for us. Incorrectly we have been told if we struggle or face challenge that we lack faith. No! When we struggle or face challenge, the questions we need to answer are:

1. Who will we agree with?
2. What will we see and therefore possess, even if only with the eyes of faith?

This is where it is important to understand covenant relationship, our relationship with God and why we spent so much time on the Abrahamic Covenant. Abraham believed God more than he believed circumstances. Abraham was Positioned in God, as the father of multitudes. But there was a long time when it couldn't be naturally seen. His natural Condition for the majority of his life is that he was the father of none.

So, the self-effort of the flesh entered the narrative and he became the father of one, Ishmael, and endured all the issues that went along with it. Even though he was acting on a promise of God, his Condition was negatively affected. Why? Simply because he was not seeing that the promise was already fulfilled in the spirit. It was God's promise and it was His to bring to pass through the faith of Abraham. When Abraham was able to see the promise as finished in the spirit, a son was born (Isaac), and a promise was fulfilled, and Abraham's Condition was Whole. In fact, he was: H O L Y - W H O L E !

Restoration is Only through Jesus Christ:

POSITION

Spirit – Conscience, Intuition and Communion - Our spirit is the part of us that communicates with God.

1. If we do not know God then the throne of our spirit is empty, we are separated from God and open to demonic activity and curses coming to rest on us. Sin and death reign in us.
2. When we know God in our spirit we have relationship with Him and are born-again and have eternal life. Christ reigns on the throne of our lives and we are seated in heavenly places with Christ. We are positioned with Him!
3. We are new creatures, 2 Corinthians 5:17, the old has passed away and the new has come. Our Spirit is transformed and sanctified! The work is complete at the moment of salvation. We already have every good and perfect gift that Calvary won for us. Our spirit is positioned in perfection and the work is finished.
 - Lord, by your stripes I was healed!
 - In Christ you are HOLY – Righteous and Sanctified!

CONDITION

Soul – Mind, Will and Emotions

Body – Physical Senses: Sight, Hearing, Touch, Taste and Smell

1. Sin is our heritage: All mankind, since the Fall, has been conceived in and born in sin. We are of our father...the devil.
 - Oppression – The works of the evil one through men will produce a damaged Soul and Body within man.
 - In our Soul – Our Mind will be blinded by Lies, Darkness and Deception. Our Will is bound. Our Emotions are bruised.
 - Sickness, Deformity and Death reign in our Bodies.
2. Initially the condition of our Soul and Body are unchanged. BUT the door to change is now open! (This is the opening of the “valve” between our Spirit and our Soul.)
3. Our Soul is the place where the process of transformation takes place by the renewing of the Word (Romans 12:1-2). Our Mind is renewed, Our Will is freed and our Emotions are healed. When we as believers come into agreement with this process in our lives the saving, healing, delivering, providing power of the Spirit of God manifest in our Spirit begins to flow through our Soul and breaks the power of sickness and disease in our bodies. This is being WHOLE!

WE ARE TO BE: HOLY – WHOLE!
